

Replacement Cartridge Elements

HOW TO IDENTIFY YOUR CARTRIDGE ELEMENT:

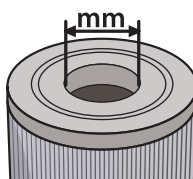

1 Which TOP is yours?

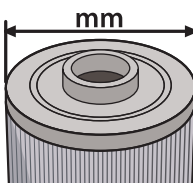

2 Which BOTTOM is yours?

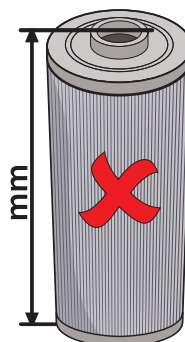

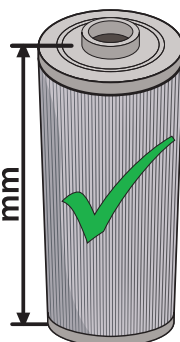

3 If yours has a hole, measure the internal diameter

4 Measure the total diameter

5 Measure the overall length. Do not include any raised parts of the end caps.

6 Use these measurements to find your element in the table

Replacement Cartridge Elements

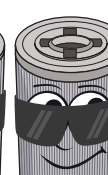

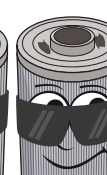

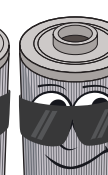

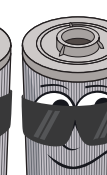

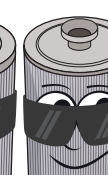

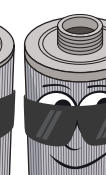

REPLACEMENT CARTRIDGE FILTER ELEMENTS

We carry a range of quality replacement cartridge elements to suit most makes and models.
